SENIOR CLASS SONG

(Tune of "Save a Little Sunbeam")

We'll save a lot of memories,
For a rainy, rainy day.
And though there's trouble and strife
Along the pathway of life,
We'll remember the days we spent
Back here, and then we'll say:
"F.H.S., how much we love you;
We'll always be loyal to you,
And so now we'll say good-bye,
But we'll keep our chins up high,
For we know you'll stand by, F.H.S."

Junior Class History

On August 26, the sixteen Juniors launched into another year of eventful activities. With the assistance of their sponsor, Miss Molter, they elected the following officers: President, Don Ruark; Vice-President, Jeanne Ann Tharp; Treasurer, Bette Chestnut; Secretary, Jean Selsor; and Reporter, Stanley Smith.

Real pleasure was evident when their long awaited class rings arrived on September 9, for the class had been eagerly awaiting their arrival since they were ordered during the sophomore year.

Turning on the steam, on September 21, they began their first money making campaign--selling magazine subscriptions. The class, which was divided into two groups, set their goal at $600. They surpassed their goal by $216. All the members sold at least $30 worth of subscriptions. On attaining their goal they were to receive a turkey from the magazine representative. Therefore, on December 21, they enjoyed a dinner of turkey, dressing, mashed potatoes, gravy, green beans, cranberry salad, fruit plate, hot rolls, and milk.

On October 25, the Juniors presented their class play entitled "Junior Prom," directed by Paul Pruitt. On December 21, Mr. Pruitt and Miss Molter suprised the Juniors by serving them a chili supper. The remainder of the evening was spent in dancing.

The next financial undertaking was that of selling Christmas cards. They canvassed the town, bringing in a profit of about $65, which was quite good as they started rather late in the season.

Their class party, held January 25, was a huge success. The evening began with everyone participating in relays. The crowd was called from their play for refreshments of ham sandwiches, cokes, pickles, celery, and ice cream. Canasta and dancing followed. Since the storm caused the lights to go out, the remainder of the party was lighted by candles and flashlights, which made it all the more interesting.

In athletics too, the Juniors have served well, since Don, David, Gerald, and Gibby have played on the first team, while Bob, Charles and Stanley have aided the B-team. This is Stanley Smith's fifth year as student manager.

Joyce Boatright, ably supported by Joyce Arnold and Shirley Merritt,has led yells throughout the year.

The Juniors have had charge of the Coca-Cola machine all year. This also helped, little by little, to increase their funds. They have worked diligently all year to earn their money.

Now, both the Juniors and the Seniors are looking forward to the reception which will be held in April.

History of Cross-country

Cross-country was introduced into Fillmore High School in 1949, by the assistant coach, Mr. E. McCleerey. The term cross-country is aptly applied since the course is usually a two mile track across country. Although in most sports, the winner is the one with the highest score, in cross-country the winner has the lowest score.

On September 23, F. H. S. lost in a three way contest won by Howe High School of Indianapolis. Crispus Attucks placed second. Dick Jones placed 7th, which was only 50 seconds behind the winner, Wellman, who is probably the top man in the state.

Manual of Indianapolis won on October 21, by a close score of 26-29.

Twelve schools participated in the sectional at Terre Haute on October 25 when Bloomington was the winner. Jones who placed first for Fillmore, ran the course in 10:42. Of eighty-four runners entered, Dick was the sixteenth man to complete the race.

Eleven boys turned out for practice last fall. Of these, six completed the season.

Although Jones and Custis will be lost by graduation, the outlook for the future is promising.

Anderson is a sophomore this year while Harcourt, McKamey and Stewart are freshmen.

Thank You

--two of the most important words in our language. Saying "thank you" expresses ordinary courtesy.

When said and meant, it makes the recipient feel better. When you say "thank you" you tell your listener, it was a pleasure to expend effort on his or her behalf. We're looking forward to the day when we can cheerfully say to you--

Thank you.

CLASS HISTORY

At last the day had arrived! Twenty-five happy, smiling faces entered the school building to start their life in high school. Some of the students were strangers, but a little time soon changed that. In a few years they were to know each other almost as sisters and brothers.

Time will never erase the memories of that mysterious day which all freshmen must endure. Lonnie Allee, Leon Arnold, Donna Bailey, Joan Cunningham, Norman Custis, Geneva Dozier, Betty Eastham, Virginia Foster, Fred Girton, Keith Greenlee, Russell Harcourt, Beverly Huber, Dick Jones, Charles Lemon, Kay Miller, Maynard Miller, Marlene Newkirk, Dale Newman, Mary Alice Nichols, Stanley Nichols, Coleen Phillips, Rose Ellen Ruark, John Charles Sears, Roy Shoemaker, and June Thomas appeared on September 27, 1946, in the queerest garb. What we remember most about the initiation is the ballgame we were compelled to attend in the afternoon. However, we all lived through the day as Mr. Smith predicted we would.

With Mr. Smith as sponsor, class officers were elected in September. The results were as follows: President-Beverly Huber, Vice President-Leon Arnold, Secretary-Roy Shoemaker, Treasure-Coleen Phillips, and Reporter-Donna Bailey.

During the first year Noble Sutherlin, Audrey Walls, Dorothy Kelly, Barbara Kelly, and Maxine Nicely moved to Fillmore, making a total of thirty freshmen. Later on Alice Riddell left the class to move to New Winchester.

The class felt honored by the fact that seven boys-Fred Girton, Leon Arnold, Maynard Miller, Lonnie Allee, Noble Sutherlin, Russell Harcourt, and Keith Greenlee-were members of the basketball team.

The "Greenies" were off to a good start with the help of Mr. Smith, Mr. Johnson, Mr. Craig, Mr. Pruitt, Miss Thomas, Miss Joseph, Mrs. Davidson, and Miss Ferris.

On September 19, 1947, as sophomores, we took over with long awaited joy and initiated the freshmen into the right ways of F. H. S.

With the assistance of Mr. Davidson, the class sponsor, the following officers were elected: President-Donna Bailey, Vice President-Leon Arnold, Secretary-June Thomas, Treasurer-Coleen Phillips, and Reporter-Dale Newman.

The class party was held on January 16. There were approximately forty sophomores and guests present. Everyone had a good time and we began looking for opportunities to have more parties.

During the year, the class lost two members. Maxine Nicely moved to New Winchester and Lonnie Allee moved to New Market.

Everyone was thrilled when January came and class rings were ordered. Now all we could do was wait until next year to receive them.

When the summer came to a close it found the class, now the "Jolly Juniors", minus one member. June Thomas had moved to Greencastle. However, there was one new member, Wilborn Kendall. Lloyd Nichols was also placed on the class roll. By Christmas the class had lost two members, Dorothy, who quit, and Lloyd, who left for the army.

Why was everyone holding hands on September 17? Of course, class rings had arrived.

With the help of Mrs. Goodman the following officers were elected: President-Wilborn Kendall, Vice President-Norman Custis, Secretary-Dick Jones, Treasurer-Coleen Phillips, and Reporter-Rose Ellen Ruark.

The class had their magazine drive well under way by the last week in September. The goal of $700 was reached and passed. The "Sad Sacks" sold the most subscriptions and were entertained by the "Hepcats" at an ice cream party.

On March 10, the class play, "The Boarding House Reach", after being postponed twice due to illness of members of the cast, was finally presented. Those taking part were: Mary Alice Nichols, Joan Cunningham, Donna Bailey, Russell Harcourt, Coleen Phillips, Beverly Huber, Marlene Newkirk, John Charles Sears, Geneva Dozier, Wilborn Kendall, Leon Arnold, Dick Jones, Noble Sutherlin, Betty Eastham, and Rose Ellen Ruark. Noble Tharp, a senior, took the part of a detective since Bill Long was not present. Mr. Paul Pruitt directed the play.

January 22, the Fillmore Cardinals made all of their friends quite happy by winning the Wabash Valley preliminary from Roachdale. At the Terre Haute semi-finals they won their first game but lost the second.

On February 24, 25, and 26, the Cards played in the sectional tourney. They won the tourney and the first game in the regional, but lost the second. The junior boys, who were members of the Cardinal team were: Leon Arnold, Russell Harcourt, Fred Girton, Dick Jones, Norman Custis, Noble Sutherlin, and Maynard Miller.

The junior class was also proud that one of its members, Marlene Newkirk had been slected yell leader in October.

On March 18, the Comrade staff was chosen. Members of the staff were Leon Arnold, editor; Maynard Miller, associate editor; Joan Cunningham, business manager; Mary Alice Nichols and Bill Long, editorial writers; Dick Jones and Rose Ellen Ruark, advertising managers; Donna Bailey and Betty Eastham, art editors; Coleen Phillips and John Sears, sports editors; Marlene Newkirk, feature writer; Geneva Dozier, exchange editor; Beverly Huber, departmental editor; Wilborn Kendall, circulation manager; Fred Girton and Norman Custis mimeograph operators.

On March 21, three girls from the class won individual and team honors in the county typing contest held in Greencastle. Beverly Huber won first; Rose Ellen Ruark, second; and Joan Cunningham, third as individuals. They won first as a team.

The final event of the year was the junior-senior reception which was held at the Deming Hotel in Terre Haute on Saturday, April 23. The theme of the evening was the "Forty-Niners" to commemorate the 100th anniversary of the "Gold Rush" of 1849.

Twenty-four seniors entered the "House of Knowledge" to start their journey on the last year of school. During the summer, Marlene Newkirk became Mrs. Raymond Gibson and Barbara Kelly became Mrs. Eddie Robinson.

One of the first tasks was being sales lady or salesman in the bookstore. Later on in the year candy was added to the supply of books, pencils, paper, and etc.

Under the direction of Miss Joseph the following class officers were chosen for the last and most important year: President-Norman Custis, Vice President-Joan Cunningham, Secretary-Dick Jones, and Treasurer-Coleen Phillips.

September 28 found the seniors in their best clothes ready to watch the "birdie". Yes, the senior pictures were taken.

Later on in the year the Echoes staff was chosen with Rose Ellen Ruark, editor; Dick Jones, assistant editor; Joan Cunningham, business manager; Norman Custis, associate editor; Maynard Miller, Leon Arnold, Russell Harcourt, Fred Girton, sports editors; Geneva Dozier, Mary Alice Nichols, and Noble Sutherlin, feature editors; Audrey Walls, and Kay Miller, department editors; Donna Bailey, and Betty Eastham, art editors; Coleen Phillips and Virginia Foster, photographers; and John Sears, Wilborn Kendall, Roy Shoemaker, and Beverly Huber, advertising editors.

Long before Christmas the class decided to wear caps and gowns at commencement and baccalaureate services.
